

A mobile luxurious horse safari with the focus on amazing food and accommodation  
**BIG FIVE RIDE & DINE SAFARI**

Wait A Little Horse Safaris is organising this special ride on request.

The ride begins at Wait A Little, where you stay for three nights. On day four you ride to Clive's camp on the Greater Makalali Game Reserve.

This glamorous, modern camp has got a big open kitchen where you have the opportunity to watch our great chef Robin cook us special meals. Robin has learned from the best, Kiltzer's kitchen

in Knysna and is a passionate chef. Him and his wife Claudia are your hosts for the next 5 days. They will organise amazing foods, bush brunches, seated dinners as well as bush dinners with open fire.

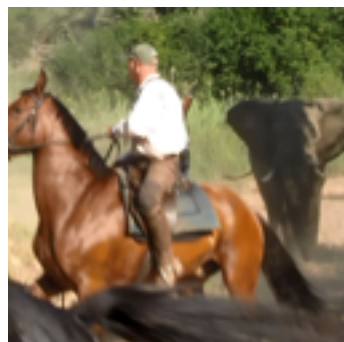

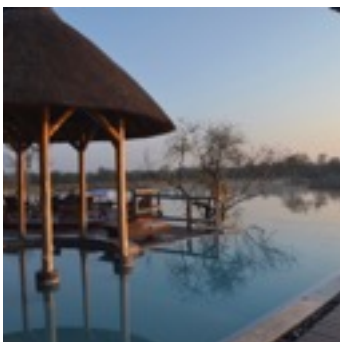

Special selected wines and cocktails will accompany your culinary highlights. Claudia and Robin are also exceptional guides and one of them will take you on game drives or walks in the afternoons.

After 2 nights at Clive's camp we find our way to XiDulu where again Claudia and Robin will host and cook for you and where you will stay for another 2 nights.

Every morning you will have long rides followed by game drives or rides in the afternoon. On day 8 you will be back at Wait A Little where we spend another 2 nights before you sadly have to leave for the airport.
